Methodology for the Rankings of the Largest General Contractors in California

General contractors are ranked on total revenue for 2004, based on information they provided. Contractors based outside California are ranked on revenue for California projects only. Revenue is in millions (M) or billions (B) of dollars. DND=Did not disclose. Revenue is rounded to the nearest million dollar or one-hundred-thousand dollar. For more information, contact Paul Napolitano (Southern California editor) at (626) 932-6169 or Robert Carlsen (Northern California editor) at (415) 357-8019.
