### Methodolgy for the Rankings of the Largest General Contractors in California

General contractors are ranked on total revenue for 2005, based on information they provided. Contractors based outside California are ranked on revenue for California projects only. Revenue is in millions (M) or billions (B) of dollars. DND=Did not disclose. Revenue is rounded to the nearest dollar of one-hundred-thousand dollar. For more information, contact Robert Carlsen at (415) 357-8019.
